

Letter of Interest

NACO Board of Directors

J Scott Keller

Lyon County Commissioner

February 20, 2025

Naco Board Members,

I would like your consideration to represent Nevada on the National Association of Counties Board of Directors.

Since taking my seat as a commissioner for Lyon County I have promoted Nevada association of counties by Increasing the number of participants we have on Steering committees, I personally sit on the National Association of County Agriculture and Rural Affairs steering committee, Nevada association of counties public lands, and legislative committees.

The Western Interstate Region, Rural Action Caucus and Large Urban County Caucus also play a prominent role in advancing NACo's policy agenda and providing an important forum for peer exchanges and thought leadership.

By attending the Annual, Legislative, WIR NACo Conferences, and the NACo West Region Meetings, I have continued to foster my knowledge and relationships in NACo.

President James Gore honored me with the appointment of Vice Chair on the Rural Action Caucus. I attended the County Crossroads Symposium in Sonoma County, Calif. Where I participated in the NACo's Board of Directors, Large Urban County Caucus (LUCC) and Rural Action Caucus (RAC) meetings in 2024. These meetings are held together throughout the year, and I will already be attending as the RAC vice chair at the upcoming 2025 NACo Legislative Conference in DC, The 2025 NACo Western Interstate Region (WIR) Conference in Rapid City, and the 2025 Annual Conference & Exposition in Philadelphia.

One of the obstacles the state of Nevada has in our representation on the national level, is by the time our representative develops the relationships and some success, we have to replace our representatives. The longest a member from Nevada could possibly represent us is 12 years because of term limits. I have met many county representatives that have over 20 years in Naco and at the symposium we honored a member that was stepping down after 40 years. I attended NACO for many years before I became a commissioner and already started on those important relationships.

We have unique issues that only exist in the state of Nevada. I would do my part to keep the continuity of the discussions and relationships we work hard to establish to stay intact.

I would like to thank you in advance for your consideration,

Kindly,

J. Scott Keller
